## || Nakshatra Phal ||

Nakshatra is the term for lunar mansion in Hindu astrology. A nakshatra is one of 27 (sometimes also 28) sectors along the ecliptic. Each nakshatra is further subdivided into quarters (or padas). These play a role in popular Hindu astrology, where each pada is associated with a syllable, conventionally chosen as the first syllable of the given name of a child born when the moon was in the corresponding pada.

**Your Nakshatra :** PASHYAMI

**Your Nakshatra Pada :** 1

**Pashyami Nakshtra Prediction :** You are merciful, compassionate, and quite generous in nature. Lord of this constellation is Jupiter, due to which your personality is serious, dedicated, honest, and righteous like a God. You will have a muscular body with a full frame. Face will be round and bright. You don't have even a miniscule amount of ego. It is your main motive to gain peace, happiness, and bliss in life. You are dedicated, trustworthy, social, and help people in their bad times. Tasty food can tempt you easily and you love to cherish this material life. Praises make you quite happy, whereas you can't tolerate criticism. So, the only way to make you do something is by sweet words. You like to collect all types of amenities. With determination, you are also a believer of God. Due to these characteristics, if you are quite popular, there is no wonder about it. Your nature is religious and generous. Also, you go for pilgrimages. Yoga, Tantra-Mantra, astrology, etc. will also have your keen interest. You will especially respect your mother and women like her. Your working style is quite creative and you have talents by birth. If a work is given to you, it can be clearly said that the work will definitely be done because you do everything with extreme honesty and skillfully. Due to work, you may have to go far from your spouse and children at times. But, this won't cause any detachment from the family. You will always put efforts in earning luxury of life. You have a peaceful and decent behavior along with a feeling of devotion. You may easily get prey to the misbehavior of others. It is very difficult for you to express what is there in your mind. You are a devotee of God and try to help others. Even in married life, you are not always comfortable sharing everything with your spouse, which at times causes misunderstandings. As a result, you cause yourself immense internal pain.

**Education & Income :** You may get successful in theatre, arts, and business related to commerce. Along with this, work related to dairy, agriculture, gardening, animal husbandry, making of food items and their distribution, politics, parliamentary, legislator, religious preacher, counsellor, psychologist, a volunteer of religion or donations, teacher, trainer, children care, play school, house construction and construction of townships or societies, management of religious or social events, share market, finance department, water related works, social service, transportation of goods, and in other hard work like them.

**Family Life :** You would want to live with your children and spouse. But, job and business might keep you away from them. That is why your familial life might stay a bit strugglesome. However, your spouse will be quite dedicated and take care of the family quite well in your absence. Some struggle is foreseen in your life till the age of 33, but after that, you will grow in all directions.

## || Life Predictions ||

### Character

You are an energetic person, never satisfied unless you are up and doing. You are strong in mind and strong in body and full of enthusiasm for the work in hand. You have unlimited courage, and all these qualities combined tend to make your life varied. You are not going to stay at one thing just because you have set out in that direction. You will change your job, your friends, your hobbies or anything whatsoever provided you think the change is for better. Unfortunately for you, you will not always count up the pros and cons of the change as carefully as you should and this impulsiveness may often lead you into difficulties. Still you have a courage, you are a born fighter and are endowed with plenty of enterprise. All of which will enable you to succeed in the end. It is unlikely that you will amass great wealth but money is only useful for the happiness it can bring and of happiness you will have your full share and more. There are many reasons for thinking that you will move from place to place a good deal and probably you will see much of the world. If a man, you are likely to take up posts in various parts of the country, and, if a woman, it would not be surprising if you called upon to travel because of the requirements of your partner's business or profession. We would suggest that you should endeavor to cultivate the quality of patience, and that you reason out the cost more thoroughly before embarking upon some fresh enterprise. There are little points but they help to mar your success. Moreover, avoid being a rolling stone (avoid changes) especially after the age of 35.

### Happiness And Fulfillment

You have been endowed with the common sense and clarity to know what you really want. Lucid and practical, you seek happiness in the environment and are unafraid to expand your horizons, easily recognising fears and working them through. But be cautious. If you are always thinking of your own welfare and are inconsiderate of others, your chance of happiness are minimal.

### Life Style

You are motivated to enhance your sex life. If other factors make you feel that material possessions are a requirement, you are motivated to gain much money. Whatever your goals, however, sex is the motivating factor. Recognise this, and rather than fight it, use it to best advantage.

### Career

Look for a career where you can use your abilities to carry out projects in minute detail. These projects must be perfect, and you will not be under pressure to limit the time it takes to complete them. For instance, if you go into interior design, you should have clients who have enough money to spend so that you can do an elegant job.

### Occupation

Almost any work that requires steady, intelligent plodding will give you satisfaction, especially in middle life or later. Your judgement is sound and you are thorough in all you do. You want to be left in peace and quiet to get on with your duties. You resent being hurried. Your methodical nature fits you or being placed in authority over others and, as you are placid and not fiery-tempered, you will secure the loyalty of those you have to direct. You possess a head for finance, which suggest that you would do well in the banking word, in the office of a finance company or a stock-broker. But most office work should suit to your temperament.

### Health

While you are not actually robust, there are few reasons, however, why you should be concerned about your health. Your chief ailments will be more imaginary than real. Nevertheless, they will cause you a certain amount of unnecessary anxiety. You look into yourself too much and wonder why this or that has happened, when, in reality, it is nothing worth thinking twice about. You are apt to read medical books, and your imaginations manufacture the symptoms of dread diseases. You may suffer from throat troubles at some time or other. Avoid drugs, except those prescribed by a doctor. Lead a natural life, have plenty of sleep, take sufficient exercise and eat sensibly.

You are sociable and look upon a wide circle of friends as the correct state for happiness. From among these friends, you will single out one who means everything to you and that one you will marry, if you have not already done so. Your nature is full of sympathy. Consequently, there is every reason for affirming that your married life will be a happy one. You are the sort that thinks a great deal of your home and its contents, and you expect it to be a comfortable, well-kept place. Disorder in the house is likely to grate on your susceptibilities. Your children will mean a great deal to you. You will work for them and give them the utmost in education and enjoyment, and what you lavish on them will not be wasted.

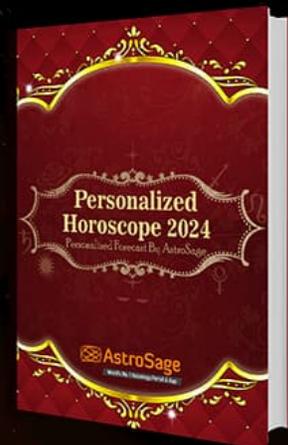

### Finance

The question of finance will be a very peculiar one for you. There will always be a likelihood of considerable uncertainty and fluctuation in money matters, but you will, at times make large sums of money by your inventive ideas. You will be inclined to live in a land of dreams and illusions and meet many disappointments. You should avoid all speculations and gambling of every kind. In money matters for you, the unexpected is more likely to happen than the expected. Original ideas and plans will be born in your mind not inclined to fit in with other people's views. You will make money by unusual methods, you could become an inventor or an unconventional professional. In many ways, in inventions or businesses connected with risk or chance, you will be lucky. You will have clever original ideas as to how things should be done but as you are not likely to get on easily with partners, you are liable to see many of your excellent plans come to nothing.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Sixth house from Lagna, while in the Moon chart Mangal is placed in Eleventh house.

**Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.**

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

#### Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

#### Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
