2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

Shani Sade Sati: Peak Phase

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

Moon in your 11th house:

This house is strongly influenced by Jupiter and Saturn. Every planet placed in this house will destroy its inimical planets and the things associated with them. In this way the Moon here will destroy its enemy Ketu's things, i.e., the sons of the native. Here the Moon will have to face the combined power of its enemies Saturn and Ketu, which will weaken the Moon. Now if Ketu is placed in the 4th house, the life of the native's mother will be endangered. The business associated with Mercury will also prove harmful. Starting house construction or purchase of a house on Saturdays will strengthen the Saturn (the Moon's enemy) which will prove disastrous for the native. Kanyadan after the midnight and participating in any marriage ceremony on Fridays will damage the fortunes of the native.

Remedies

- (1) Offer milk in Bhairo Mandir and donate milk to others liberally.
- (2) Ensure that the grandmother does not see her grandson.
- (3) Heat up a piece of gold in fire and put it in a glass of milk before drinking it.
- (4) Throw 125 pieces of sweet (Peda) in a river.

Mars in your 8th house:

The 8th house belongs to Mars and Saturn, who jointly influence the properties of this house. No planet is considered good in this house. Mars here affects very adversely the younger brothers of the native. The native sticks to commitments made by him without caring for profit or loss.

Remedies

- (1) Obtain blessings of widows and wear a silver chain.
- (2) Offer sweet loaves of bread prepared on Tandoor to dogs.
- (3) Take your meals in the kitchen.
- (4) Build a small dark room at the end of your house and do not allow sun light to enter it.
- (5) Offer rice, jaggery and gram pulse at religious places of worship.
- (6) Fill an earthen pot with 'Deshi Khand' and bury it near a cremation ground.

|| Lal Kitab Prediction ||

Mercury in your 7th house:

In a male horoscope, Mercury in the 7th house proves highly beneficial for others for whom the native wishes well. In a female horoscope it produces good result. The pen of the native wields more power than the sword. The sister of the native's spouse will prove highly helpful in every matter. The good result of the house will depend upon position of Moon. The native will never be a debtor and will have good children. However if Jupiter is malefic in 7th house and Saturn is in the 9th the native will become a thief. If Mercury is in the 9th then his married life will be full of problems. If Jupiter is malefic native will never get support from brothers and will be deprived of favours from the government. Jupiter in 7th house causes differences with the father. || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
