For mental peace, you have to put regular efforts. As you are quite straightforward, you say everything that comes to your mind. It is not in your nature to keep anything in your heart. That is why sometimes people get hurt with your words. Whenever you try to help someone, you do it with all your heart. You don't show off. As you stay quite serious about your aim, you manage to be successful after so many hurdles. Whatever opportunity comes to you, you try to utilize it to the fullest. || Life Predictions ||

Character

You have a certain amount of philosophy in your character but it lies dormant a good deal of the time. You are large-hearted and sincere, though a trifle blunt. You are somewhat proud and people who ponder to your vanity become your best friends. You have high ideals which cannot be realised. When they fail, you allow yourself to be considerably dejected. There is a streak of restlessness in you, which causes you to cast aside an ideal before it has had sufficient time to mature. Consequently, you do not attain the success in life, nor the happiness and comfort, that your qualities merit. You know how to express your opinions in public and you have a neat gift for being humorous. It follows that you are credited by your friends as being jolly good company. Certainly you are entertaining. Your friends by the way, have considerable influence on you and it is highly necessary that you should choose them wisely and deliberately. Your greatest failing is that you are versatile and that your energies are directed into too many channels. Concentrate on fewer branches of work and pleasure, and you will greatly benefit by the change.

Happiness And Fulfillment

You will often meet with disappointments and expect more, for you tend to worry so much that the very things you are afraid of usually happen. Very shy, you have great difficulty in communicating feelings and emotions. If you will clear your head of all worldly matters for a small period each day and sit in meditation, you will feel much peace and realise that things are not as bad as they seem.

Life Style

Your friends serve as motivational factors in your life. You need their support and encouragement. You can thus achieve your goals by directing yourself in areas where your friends see your progress.

Career

Since you like to unite both sides of an argument, law and justice would be good fields for you. You could also do well as labour mediator and any other positions in industry where you are called upon to create and maintain peace and harmony. Try to stay clear of profession which require instant and constant decision, because you find difficulty in making them quickly.

Occupation

Almost any work that requires steady, intelligent plodding will give you satisfaction, especially in middle life or later. Your judgement is sound and you are thorough in all you do. You want to be left in peace and quiet to get on with your duties. You resent being hurried. Your methodical nature fits you or being placed in authority over others and, as you are placid and not fiery-tempered, you will secure the loyalty of those you have to direct. You possess a head for finance, which suggest that you would do well in the banking word, in the office of a finance company or a stock-broker. But most office work should suit to your temperament.

Health

You are well favoured as far as your constitutions are concerned. But, you are liable to suffer from nervous disorders and indigestion. The first is the direct outcome of your highly sensitive nature. You become exhausted more quickly than the average person and the life you enjoy does not help in the matter. Digestive troubles result from self-indulgence. Too much is eaten. What is eaten is too rich and, very often, it is eaten too late in the day. There is a tendency to corpulence in later life.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Seventh house from Lagna, while in the Moon chart Mangal is placed in Ninth house.

Hence Mangal Dosha is present in Lagna Chart but not in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

Shani Sade Sati: Peak Phase

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. || Lal Kitab Prediction ||

Moon in your 11th house:

This house is strongly influenced by Jupiter and Saturn. Every planet placed in this house will destroy its inimical planets and the things associated with them. In this way the Moon here will destroy its enemy Ketu's things, i.e., the sons of the native. Here the Moon will have to face the combined power of its enemies Saturn and Ketu, which will weaken the Moon. Now if Ketu is placed in the 4th house, the life of the native's mother will be endangered. The business associated with Mercury will also prove harmful. Starting house construction or purchase of a house on Saturdays will strengthen the Saturn (the Moon's enemy) which will prove disastrous for the native. Kanyadan after the midnight and participating in any marriage ceremony on Fridays will damage the fortunes of the native.

Remedies

- (1) Offer milk in Bhairon Mandir and donate milk to others liberally.
- (2) Ensure that the grandmother does not see her grandson.
- (3) Heat up a piece of gold in fire and put it in a glass of milk before drinking it.
- (4) Throw 125 pieces of sweet (Peda) in a river.

Mars in your 7th house:

This house belongs to the influences of Venus and Mercury, who combined together provide the effect of Sun. If Mars is placed therein, the 7th house will be affected by Sun and Mars both, which ensures that the native's ambition will be fulfilled. Wealth, property and family will increase.

But if Mercury is also placed here along with Mars, very adverse results will follow regarding the things and relations represented by Mercury e.g., sister, sister-in-law, nurses, maid servant, parrot, goats etc. Hence it would be better to keep away from them.

Remedies

- (1) Place solid piece of silver in the house for prosperity.
- (2) Always offer sweets to daughter, sister, sister-in-law and widows.
- (3) Repeatedly build a small wall and destroy it.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
