Character

You have several desirable qualities. First and foremost, you revel in work and there is hardly a limit to the amount of work you can do. Next, you have your eyes wide open and your brain is alert. Taken together, these qualities single you out as being a very powerful influence in your own sphere of activities. You are wonderfully practical in all you do, and you have a very keen brain for remembering details. In fact, details mean so much to you that you are apt to irritate some of your co-workers with them. You never forget a face, though you are less accurate in remembering names. You are a person who wants to know the why and where of everything. Until you are satisfied on these points, you refrain from acting. Consequently, sometimes you miss a good deal, and some people look upon you as a procrastinator. In a measure you are too sensitive and often you hold back when you should go ahead. This unfits you for certain forms of leadership. You do not want your own way in many things. In fact, you are very amenable, taken all round.

Happiness And Fulfillment

You are a courageous person. You are so impulsive, there is no time to worry or fear your actions. You have periodic flashes of such insight that your intuition borders on genius. Many seek your company, for there is much excitement about you. An excellent character reader, you are often attracted to the occult, which gives you a deeper understanding of life. Your remarkable vision enables you to forge ahead and be successful in understanding any difficulties that are preventing your growth.

Life Style

You are precisely the one, people are talking about when they say that behind every successful person there is a lover. Your marriage partner will motivate you to accomplish your objectives.

Career

Your career should be such that you have constant public contact. You have a persuasive and magnetic personality. Thus, to use it to great potential, you should involve yourself in areas where persuasion reaps the greatest rewards.

Occupation

There are many remunerative occupations which might engage your energies profitably. Your aptitude for making plans fits you for a whole host of businesses and trades where originality counts and this applies just as much to women as to men. Trained in another direction, the same quality would help in organising. Thus, you are eminently fitted for directing the details of large commercial concerns. What you should avoid are all those jobs which are the same year in, year out, and where one day's work is merely a repetition of another. Routine jobs are not for you.

Health

You put a high price on your comforts. As an outcome of this trait, you are something of a gourmet and enjoy your food. In fact, you do not eat to live but, rather, live to eat. It is not surprising, then, to find that your digestive apparatus will be the portion of your body which will give you the most concern. Do not neglect such ailments as indigestion and, when they come, do not try to cure them by means of drugs. Take moderate exercise such as walking and mild physical jerks. Breathe plenty of fresh air, put yourself on a rational diet and eat fruit. However, if it prolongs you must visit a doctor. After fifty years of age, beware of inertia. You will be apt to give up this and that, and grow into an individual who loses his hold on life. Keep up your interest in things, develop your hobbies and remember that nobody can grow old if they mix with younger people than themselves.

Hobbies

Travel is the pastime which appeals to you most, had you the leisure and the money to indulge in it wholeheartedly. As it is, you may have to content yourself with lesser diversion. Card-playing is welcomed and there is no doubt that you are able to derive a good deal of pleasure by making things - it may be anything from a wireless set to a batch of photographic prints.

Love Matters

In love matters, you are just as vigorous as you are in work and play. Once you fall in love, you want to be in the company of your intended-one every available minute of the time. You are too wise to neglect your work. But, once the work is accomplished you will hurry off to trysting-place to keep the appointment. When marriage is an accomplished fact, you will want to rule the home. The ruling will not be done, necessarily in an aggressive manner, it will certainly be efficient. If you are a woman, you often help your husband in his business affairs and this you perform with marked efficiency.

Finance

In matter concerning money you will be prudent and cautious and in small things may get a reputation for being close-fisted (don't want to spend money). You will be rather inclined to be over-anxious about the future and for this reason you will endeavour to make good provision for your advanced years. If a businessman, you will be likely to retire early in life from active work. You will have remarkable vision as to the stocks, shares and industry. You will be strongly inclined to speculate in shares. You are likely to be successful in such things if you can follow your own ideas and intuition. If you depend upon other's advise or on rumours, it will be disastrous for you.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Second house from Lagna, while in the Moon chart Mangal is placed in Eighth house.

Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
