|| Life Predictions ||

Character

You are a person who places comfort and happiness before everything else. This, however must not be taken to mean that you neglect your duties for the sake of these requirements. Quite the reverse, you will work and strive, knowing that it is only by industry that you will be able to attain them satisfactorily. You like company and are not happy when alone. Consequently, you will seek out friendships and value them. You are capable and admire efficiency. It takes a great deal to make you rise up and rend your adversary. You are shrewd in financial matters. Though you applaud what is old and well tried but give new things a fair trial. You are remarkably good-hearted and noted for your love towards children.

Happiness And Fulfillment

There is a harmony between your thinking and feelings, enabling you to have a firm grasp on reality. You are very practical, able to understand yourself, and say tactfully exactly what's on your mind. You are able to see what in your inherent nature prevents you from achieving inner satisfaction and you are able to verbalise this. However, you will tend to worry about the most inconsequential matters, tend to gossip and be as critical of yourself as you are of others.

Life Style

Children will give you tremendous motivation to set goals and accomplish them. You feel a responsibility to them and must not let them down. Use this motivating factor to its fullest, but be sure that you are doing what you want to do and not directing your efforts in an area which you do not like just because of your sense of responsibility.

Career

You are authoritative and stubborn in your business life. You must be the leader than the follower. Try to look at problems objectively, and do not make decisions just because you are obstinate, as this could be your biggest bottleneck to achieving job happiness and success.

Occupation

You are not fitted for any calling that is decidedly strenuous, nor do you care for too much responsibility. You do not mind work, in fact work agrees with you, but it must not involve a load of responsibility. While you are prepared to turn your hand to almost anything, it is very noticeable that you have a decided flair for all that is cultured and clean. In addition, you may have noticed that an occupation which brings you in contact with bright lights and a certain amount of gaiety suits you far better than one that relegates you to loneliness and quiet. As a matter of fact, your own quiet nature cannot tolerate quiet surroundings and it yearns for brightness and anything cheery.

Health

You put a high price on your comforts. As an outcome of this trait, you are something of a gourmet and enjoy your food. In fact, you do not eat to live but, rather, live to eat. It is not surprising, then, to find that your digestive apparatus will be the portion of your body which will give you the most concern. Do not neglect such ailments as indigestion and, when they come, do not try to cure them by means of drugs. Take moderate exercise such as walking and mild physical jerks. Breathe plenty of fresh air, put yourself on a rational diet and eat fruit. However, if it prolongs you must visit a doctor. After fifty years of age, beware of inertia. You will be apt to give up this and that, and grow into an individual who loses his hold on life. Keep up your interest in things, develop your hobbies and remember that nobody can grow old if they mix with younger people than themselves.

Hobbies

You set rather a high value on your leisure and begrudge losing any part of it when a rush of work comes along. Your aim is to spend as much time as possible in the open air, which is, of course, highly wise of you. You are not a lover of strenuous games. But, such pastimes as walking, rowing, fishing and nature study are more in keeping with your ideals.

Love Matters

You are sociable and look upon a wide circle of friends as the correct state for happiness. From among these friends, you will single out one who means everything to you and that one you will marry, if you have not already done so. Your nature is full of sympathy. Consequently, there is every reason for affirming that your married life will be a happy one. You are the sort that thinks a great deal of your home and its contents, and you expect it to be a comfortable, well-kept place. Disorder in the house is likely to grate on your susceptibilities. Your children will mean a great deal to you. You will work for them and give them the utmost in education and enjoyment, and what you lavish on them will not be wasted.

Finance

Financial conditions will be very contradictory for you. You will have runs of luck to be followed by equal periods of reverses when nothing will appear to go right. You should avoid speculation and gambles of all kinds and hold your inclination for extravagance well in check. You also come under peculiar and other uncertain conditions in the matter of finance. You may gain money in fits and starts, but you will not be likely to keep it. Your ideas are liable to be too advanced for the generation, you will live in. You will have a desire for indulging in speculation, but as a rule, you will be disposed to back the underdog. Your best chances in relation to the new ideas are, such as electric inventions, wireless, radio, T.V., cinemas and unusual building or construction work, also in literature or highly imaginable creations.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Second house from Lagna, while in the Moon chart Mangal is placed in Tenth house.

Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
